

**Pre-Student Teacher:** \_\_\_\_\_

## **DESCRIPTION OF SCHOOL POLICIES**

**Goal:** To become familiar with state-mandated, district-adopted, and building-accepted policies related to the operation of this school facility, its employees, and the students. (*Competencies D. 1., D. 4., & D. 5.*)

**Enduring Understandings:** School policies construct consistency in a school and help keep students safe.

**Directions:** Read a copy of the school's policy manual or discuss policies with your cooperating to answer these questions.

1. What is the policy on student cheating?
2. What is the policy on confidentiality of student information?
3. What is the policy on drugs and alcohol on the school site?
4. What is the policy on weapons in school and what must the teacher do if there is suspicion of a weapon in the building?
5. What are the policies on student confrontations, classroom behavior, and teacher-student conflict?
6. What is the definition and the policy on sexual harassment?
7. What is the policy for including students with special needs?
8. What is the policy for providing programs for students who are gifted?
9. What is the policy for suspected child abuse?
